

## QUALITY POLICY

At Antares Tech, a leading industrial engineering automation company headquartered in the Houston Energy Corridor, we are dedicated to excellence in every aspect of our business. Operating across the United States, we strive to provide reliable and innovative automation solutions that meet and exceed our customers' expectations.

Our commitment to quality is reflected in our continuous improvement approach, ensuring efficiency, compliance with industry standards, and the highest level of customer satisfaction. Through a culture of innovation, teamwork, and operational excellence, we enhance our processes and solutions to deliver superior value to our clients and stakeholders.

To achieve this, we commit to:

**Providing comprehensive quality solutions:** We are committed to delivering integrated solutions that meet customer needs and exceed their expectations.

**Compliance with applicable laws and requirements:** We ensure compliance with all applicable legislation, agreed-upon customer requirements, and any other voluntarily assumed commitments.

**Employee Training and Development:** We are committed to the continuous training and professional growth of our employees, ensuring they receive the necessary and mandatory education to perform their roles at the highest quality standards. By fostering creativity and talent, we empower our team to drive innovation and develop impactful solutions that enhance our services and customer experience.

**Customer Satisfaction:** The customer is at the heart of our operations. We are committed to understanding their needs and expectations, offering customized solutions, and providing excellent after-sales service. We regularly assess customer satisfaction to improve our products and processes.

**Continuous improvement:** We maintain a philosophy of continuous improvement in the services provided and the methods applied, supported by a Quality Management System based on the ISO 9001:2015 standard. We foster a culture of continuous improvement, where every member of our organization is responsible for quality in their work.

To uphold these commitments, we ensure this policy is effectively communicated, understood, and implemented at all levels of the organization, making it readily available to all relevant stakeholders.
